

INSTALLATION INSTRUCTIONS

Part Number HA-8089

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION

1. Remove the stock air filter.
2. Remove the stock o-rings from the air box lid and the air box base.
Note: The o-rings will not be used with the K&N Filtercharger®.
3. Install the K&N Filtercharger® in the air box base making sure the sealing lip is completely seated in the groove.
Note: The K&N logo and the part number will be facing up.
4. Reinstall the air box lid making sure the sealing lip of the air filter is completely seated into the groove of the air box lid.
5. Tighten the air box screws giving equal pressure around the air box perimeter.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
