

INSTALLATION INSTRUCTIONS

Part Number KA-1596

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION

1. Remove the stock air filter.
2. Clean the air box case to remove all grease and oil.
3. Apply the provided gasket to the air filter case. (Fig. 1)
4. Clean the small raised perimeter of the provided top plate.
5. Apply the provided gasket to the top plate. (Fig. 2)
6. Install the K&N Filtercharger® into the top plate.
7. Install the K&N Filtercharger® and the top plate into the stock case.
8. Reinstall the stock cover.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
