

INSTALLATION INSTRUCTIONS

Part Number KA-7586

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION

- 1) Remove the stock air filter according to owners manual.
- 2) Clean the air filter sealing surface in the air box.
- 3) Install the K&N Filtercharger® onto the stand offs located in the air box. (Fig. 1)
- 4) Install the provided spacers into the K&N Filtercharger®. (Fig. 2)
- 5) Install the provided screws and washers and tighten the K&N Filtercharger®
NOTE: When installing hardware make sure the washers are in the correct order. (Fig. 3)
- 6) Reinstall the air box lid and tighten according to manufacturers specifications.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
