

Description: Projector Headlight with Halo  
Part Number: 111192 - 111207 -111208 -111191  
Application: 99-07.5 GMC Sierra, Sierra Classic, 00-06 Yukon

Tools needed  
Wire Strippers  
Pliers

Remove the 2 pins located  
at the top of the light

Pull the headlight assembly out

Unclip the 2 connectors on the  
back of the light

Remove the parking light

Tap the 2 red wires into the parking  
parking lights using the supplied  
wire taps. One for power one for  
ground. These wires are for your  
Halo's.

Reassemble the light back into the vehicle by reversing these steps.  
Be sure not to pinch the wires in between anything.  
When you are finished installing your new Anzo Headlight check  
for proper functions, example: headlight, turn signal, halos.

*AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.*
