

Description: Projector Headlight with Halo  
Part Number: 111161 - 111162- 111263 -111264  
Application: 2009-2013 Ford F-150

Tools needed  
10mm Socket and ratchet  
Phillips Screwdriver

Remove the two 10mm bolts  
from the top of the light. Also  
remove the phillips push pin  
from the rubber flap.

Pull the flap to one side and  
remove the 10mm bolt holding  
the housing in place.

Pull the light straight out.

Remove the 3 light sockets by  
twisting and pulling outward .

The small 194 bulb will need to be  
removed from the socket.

Plug the 3 sockets into the back  
of the new light.

Install your new light. Be sure to  
line everything up correctly.  
Replace your stock bolts and push  
pin.

Check all functions of the light  
before driving on the highway.

AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
